It's not easy knowing where to start in the search for a quality senior living community for yourself or a loved one – the sheer number of options can be overwhelming, and finding the right home is crucial to future happiness and well-being. It's important to find a community that has earned support from community members worthy of award-winning senior living.

Pomperaug Woods is proud to announce that it has been honored as a Best of Senior Living 2023 award winner by A Place for Mom, a trusted advisory service for senior care in North America.

The best of senior living honor represents the best of the best of in-home care and senior living communities, determined by the reviews of seniors and their families. A Place for Mom's 2023 Best of Senior Living Awards recognizes the top 1-2% of nearly 45,000 senior care providers across the country for providing exemplary care and support to aging loved ones.

This year marks the 10th anniversary of the Best of Senior Living Awards, recognizing top providers in nearly every state and several Canadian provinces based on the reviews of seniors and their loved ones. A Place for Mom has found that, on average, families are six times more likely to move into communities with recent reviews, further reinforcing the importance of reviews in helping families make decisions.
